### **Greenville Gladiators Youth Lacrosse Anticipating Growth for Spring 2012 Season**

**Greenville, SC** – Greenville Gladiators are now registering for the Spring 2012 lacrosse season and are anticipating major growth in their participation this year.

Greenville Gladiators youth lacrosse program began last spring with a boy's program and had an astounding 140 players on 9 teams in their first year. This year, the boy's program will have 2 practice locations (Pavilion in Taylors and Woodside Park in Fountain Inn) and are expecting to at least double those numbers. A girl's program has also been added to help further expand the sport to the youth level.

"Lacrosse is one of the fastest growing sports in the United States and Greenville is following suit," says Greg Braswell, President of Greenville Gladiators. "Not only is our program growing but it helps the high schools and other programs in the area grow."

Greenville Gladiators offer youth lacrosse for boys and girls ages 6-14. The season runs mid-February to mid-May with registrations going on through January 2012.
